Have inquiries been made about the availability of rights? If so, please specify.

Other people involved in the production at this time (designers, actors, etc.):

Upon receiving this application, the UNISTA board will begin inquires about space and the availability of rights if not already completed by the applicant/s. Within a week of receiving the application, the UNISTA board will inform the applicant of the decision. After this the applicant/s will complete the second application.

* * *

Approval of the first application does not guarantee the approval of the second. Auditions may not be held until the approval of the first application and no rehearsals may begin until the approval of the second application. Failure to comply with these regulations is grounds for dismissing a production.
